SOUTHERN CALIFORNIA'S #1 PET SPA

HEALTH & SAFETY

The health and safety of our guests is our number one priority. We consult with our Veterinarian Advisory Board in order to continuously update our policies and provide the best, affordable care available. All of our pet guests' medical records, personality profiles and special needs are carefully recorded to ensure a safe and healthful visit. Our staff of animal care professionals is trained for emergencies and we are strategically located under the same roof as Westlake Village Animal Hospital—24-hour on call veterinary emergency service! All guests must meet our published health and temperament standards.
