

## In Remembrance

**2001 - 2011**

**Disco Slaton**

**"Disco" Slaton** has been a loyal companion of Dr. Daniel Slaton and the entire Slaton Family since Dr. Slaton entered Veterinary School. Everyone has fond memories of Disco from his romping in the snow for the very first time, slobbering on everyone and everything, and becoming a permanent fixture at Westlake Village Animal Hospital. Prior moving to the new location, Disco was a welcoming fixture at the small vet hospital on Townsgate, either roaming the offices or

out in the lobby proudly greeting all of the clients. He cheered up clients and staff daily when he wasn't basking in the warm sunshine. Each lunch hour Dr. Dan and his father Stan would take Disco to Jack's Deli where they would sit outside and Disco would be the star attraction. Once Dr. Dan adopted Beanes, his black Chihuahua, the two dogs would become best friends and everyone would comment on the amazing contrast between the gentle giant Disco and his tiny friend. He had a wonderful life and was a great family member and friend to all who met him. Staff and clients will miss Disco dearly.
