## SPOTLIGHT on Conejo Valley

### Barkley Pet Hotel & Day Spa

Described as a pet's paradise for relaxation, socialization, exercise or just sheer enjoyment, the 32,000 square foot Barkley Pet Hotel & Day Spa is undoubtedly a "Five-Paw Property." The Barkley is the only boarding, grooming, training and day camp facility of its kind for Dogs, Cats, Birds & Exotics located in beautiful Westlake Village. The hotel is so PAW-pular with pet guests that The Barkley was recently featured on NBC, CBS, TMZ, InTouch Weekly, OK! Magazine, even the National Enquirer since opening last October 2010. Along with 24-hour care by a professionally trained staff, The Barkley has an extensive list of amenities, which include uber-luxurious suites with private webcams, flat-screen T.V.s, 8,000 square feet of indoor and outdoor play area, a beach-entry heated pool, even stretch limousine pick-up and delivery. The Barkley is the only pet care campus in the world where your pet can spend their vacation along "Hollywood" Blvd., Rodeo Drive, or amidst a park-like setting called "Barkley" Park. The Barkley Pet Hotel & Day Spa is also affordably priced with Serenity Suites starting at only \$44.50/night. For peace of mind while on vacation, veterinarian

doctors are on staff 7 days a week. We are co-located with Westlake Village Animal Hospital where doctors are available 24 hours a day for "on-call" emergencies. Pre-paid discount packages are available for frequent travelers so one need not be from "high-society" to afford a room at The Barkley!

For more information, visit [www.westlakepet.com](http://www.westlakepet.com) or for reservations, call 818-889-BARK (2275). The Barkley is located at 31166 Via Colinas, Westlake Village, across from The Four Seasons and Dole Headquarters.
