

Maddie absolutely LOVES going to doggie day care! Every time I tell her that is where we are going she gets super excited. And EVERYONE treats her so well. Everyone knows her when she walks in the door.

She recently stayed at the Barkley for 6 nights and was in daycare everyday she was there. She came home so happy. I felt bad because I think she was a little bored at home after playing and being spoiled for 6 days.

Maddie is the best thing that has happened to us and the Barkley is the best thing that has happened to her!
