

Sly loves the Barkley and has a lot of fun there. He can go outside or stay inside with a lot of room and toys. The staff is super friendly and play all day with all the pets. Sly can play all day or sit on the sidelines and watch a while. I love that I can check in on him remotely on the cameras and he gets on the Facebook page from time to time.

His picture was taken at the Barkley and was on Facebook.

William and “Sly” Brooks
