The Barkley Pet Hotel & Day Spa

Considered "The Ritz-Carlton for Pets," The BARKLEY PET HOTEL & DAY SPA kicked off its grand opening with a red-carpet VIP reception. Guests and their pets viewed the luxury suites as they strolled along "Hollywood Boulevard" and Rodeo Drive and had their paw prints made for the hotel's Walk of Fame. MONROSE CATERING created and served delicious hors d'oeuvres, and the "mutt"ini bar served favorites like Barkardi, Arfsolut & Kennel One. Everyone loved BARKLEY BEACH, the outdoor beach pool designed and built by MARINO POOL & SPA. A Premier Pet Hotel for Dogs, Cats, Birds and Exotics, The Barkley is designed to provide daytime and overnight care in a safe and comfortable environment at affordable prices. The Barkley Foundation and 30+ pet charities, vendors and local businesses came together to assist animal rescues in the local community. www.thebarkleypethotel.com
